Withdrawal of Restriction Owing to Amended and Generic Claim(s)

Applicant's arguments for the withdrawal of the restriction requirement for amended-withdrawn claims 13, 27, 32, and 41 (and claims dependent thereon) have been considered and are persuasive. The restriction requirement for these claims is withdrawn owing to their allowability. These claims are allowed hereby for the same or similar reasons as those of record.

REASONS FOR ALLOWANCE

Applicant's arguments submitted 3/15/2004 have been considered in view of amended claims and newly added claims and, subsequent to an updated search of relevant prior art, are persuasive. This application is therefore allowed for reasons deemed to be of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
